

ABOUT DR. NAHLAH
BOARD CERTIFIED PROSTHODONTIST

Dr. Nahlah is a board-certified specialist in Prosthodontics with advanced training and experience in all facets of implant and restorative dentistry. Because of Dr. Nahlah's extensive knowledge of advanced technology, materials, and procedures - he works with complicated cases every day. That is why other dental professionals refer to him as The Complex Case Specialist. Dr. Nahlah performs advanced restorative procedures using the latest technology including Implant prosthetics, full mouth rehabilitation, smile makeovers, and All-on-4 "teeth in a day". Dr. Nahlah stays up to date with the latest technologies, including an in-house digital lab with a lab team dedicated to crafting your smile.
